EMPOWERING WOMEN
THROUGH SERVICE & ADVOCACY

VOLUME 12 ISSUE 7 JUNE 2023

Sun's Out – Fun's Out! For a while there it seemed like we didn't know which season we would be waking up to – but – I think that just might be behind us!

With the changing seasons – we also have some changes in our Zonta Club. We have wonderful new members and, soon, new officers and board members.

Now is a good time to think about which committees you would like to be on and if you would like to chair or co-chair.

Advocacy – topics and information that are of interest to our members. By-Laws – Cheryl and Linda always do a great job and recently updated ours. Communications & History – if you are into social media, looking to help with photos and/or the newsletter, or just have an interest in the history and future of Zonta – this committee might be drawing you in! Finance & Audit – if numbers is your thing – this committee might make you sing! Fundraising – Lucky Numbers & Pecans are just the tip of the iceberg! Membership – with our newly added Zonta Latte this past year – and outreach to potential new members – we would love to hear more ideas! Programs – a committee reaching out to potential speakers and helping with the RSVPs and set-up of meetings. Scholarship – this past year was a committee of two – but they're always looking to include YOU! And Service – getting involved in the community either with our own service projects or potentially partnering with other groups – this one is always a HOOT!

Other things to keep in mind – is Summer Surprise – more information COMING SOON! D4 Conference – September 22 & 23 in Niagara Falls, Ontario, Canada. And it's never too early to start thinking about 16 Days and Lucky Numbers!

Here's to a lovely Spring/Summer!
