Over 50 million victims of human trafficking and modern slavery globally.

There are 27.6 million people in situations of forced labor on any given day. Of those 27.6 million people, women and girls make up 11.8 million — more than 42%.

More than 3.3 million of all those in situations of forced labor are children.

An estimated 6.3 million people are in situations of forced commercial sexual exploitation at any point in time. Nearly four out of every five people trapped in these situations are girls or women.

An estimated 22 million people were living in situations of forced marriage on any given day in 2021. Over two-thirds of those forced to marry are female. This equates to an estimated 14.9 million women and girls.

Men and boys are also subjected to forced marriage.

PECAN ORDER FORMS ARE DUE ON THURSDAY!!

\$14.00 A BAG (MUST BE PREPAID)

Our club has been selling pecans for many years. We were known as the Zonta club that sold pecans. A few years ago our club was going to stop selling pecans and so many members of the community were disappointed when they heard this. Here we are again with the Zonta Pecans. If you love pecan pie these are the pecans you want to get!!

Lucky Numbers

March 2, 2024 is only 153 days away!

This is the perfect time to take a look at all the summer sales that are going on. It's never too early to start thinking about our only fundraiser. We will have 250 tickets, which will be \$40.00 each.

Ticket requests and our sign up sheet to contact vendors will be passed around at our November meeting.

Each Zonta member is responsible to donate a basket with a value of \$75.00. Members who sign up to help at LNL also need to purchase a ticket.
