Our November Meeting in Review

Jim Goodling, Director of Leadership Warren County was our guest speaker at the November 12th meeting. Leadership Warren County is a nine-month curriculum to bring caring, community-minded people together from across the County in an effort to form partnerships to improve the economic and quality of life in Warren County.

The program inspires participants to engage in the civic life of the region by acquainting them with community resources and assets and the County's strengths, weaknesses, opportunities and challenges. It is the Steering Committees hope that participants will complete the program with the skills and knowledge necessary to make a positive impact in community and succeed at home and at work.

Barb Tubbs and Pat Evans have both been actively involved in the development of Leadership Warren County. Another Zontian, Ines Nelson, is also a graduate of last year's Leadership Warren County class.

This is the 3rd year for Leadership Warren County and the class is made up of 14 people, including Zontian, Laura Ahl.

Happy Holidays!

International Health Awareness

By Phyllis Wright

Eleanor Roosevelt regarded the universal declaration of December 10th being "Human Rights Day" as her greatest accomplishment. International Zonta reminds us this part of our mission.

December 1st is World AIDS Day. Achievements have been made in the fight against AIDS, yet women today account for half of all people living with HIV worldwide.

To learn more about Zonta's involvement in these health issues, go to www.Zonta.org.
