WEAR YOUR RIBBONS!**

25 November and the 16 Days of Activism

What is 25 November? On this date, Zonta seeks to engage our 30,000 members to participate in a common day of activism in unity with the UN's International Day for the Elimination of Violence Against Women and the subsequent 16 Days of Activism. While clubs are encouraged to take action throughout all 16 days, we will build awareness with an activism-focused day worldwide. Participating in this day helps us send a stronger, more impactful message and increases Zonta's visibility.

16 Days of Activism is a global campaign to raise awareness about gender-based violence as a human rights issue at the local, national, regional and international levels, and demonstrate the solidarity of women around the world organizing in opposition to violence against women.
