ADVANCING THE STATUS OF WOMEN WORLDWIDE...

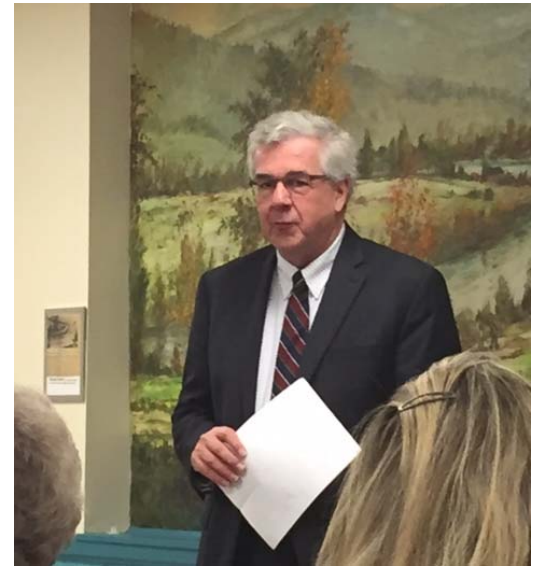

Volume 6, Issue 3

November 2014

November *in review*

Thank you to all who were able to make the November lunch meeting. Lynda served her special acorn squash with creamed chicken and a pumpkin crunch dessert. It was fantastic! Jim Goodling joined us from the United Fund of Warren County to speak about the program and all of the agencies they are able to support through the generosity of the community. 100% of every dollar donated goes to its member agencies.

Other discussions included a review of Project Bundle Up which went well for the first time being held at Walmart and Pecans! They are in so if you haven't picked yours up, please do so.

Salvation Army Mother's gifts.

If you would like to donate a gift valued at \$10 for a mother, please wrap the gift and bring it to our annual Christmas Party. We will get the gifts to the Salvation Army. This program allows the children to have a gift for their mother on Christmas morning.

Warren Zonta works with A Safe Place with a display of shoes with stories of women in domestic violence situations. The mission is to help women and their families become aware of A Safe Place which offers individual and family counseling, dealing with legal matters, and preventive education programs for the community. A larger display was at the Warren Library during "Domestic Violence Awareness Month" and planned for future community human service related events.
